SUMMER School POEMSET.

9 & 10, September, 2024

Saints Pères University Center – Ambroise Paré Room – 6th floor

45, rue des Saints Pères, 75006 Paris

Day 1 : Monday, September, 9th, 2024, 10h -17h

1- *Welcoming participants breakfast*

2- *“Get to know each other”*

Learning and teaching objectives :

- Promoting the knowledge of the different professions and the specific features in the different countries
- Strengthening the skills of the different health protagonists in the perinatal process

10h00-10h30: Welcoming and students group assignment

Welcoming, introduction of the participants and explanation of the organization of the half-day

“Braistorming time”: if I tell you “midwife”, “Gyn-obs”, “nurse”, what is the first word coming to your mind?

10h30-10h45: Students repartition

Each group must be composed of at least a student from each institution and each specialty.

10h45-12h15: Discussions between participants about the training and fields of study

Each group names a rapporteur in charge of summarizing the discussions of the group at the end of the workshop.

Questions will be on screen and participants will have to answer in due time (7 minutes per question).

12h15-12h45: Restitution

Participants share the most important thing they learned during the discussion and how their vision of the other professions has evolved thanks to the morning workshop
