

Summercamp program

POEM SET

Paneuropean Obstetric emergencies management Simulation Enhanced training

Day 1 (9:00-17:00)	26 June 2023	Speaker
9-10	Welcome and visit of the simulation center	Simlabs Team
10-12	State of play and progress of the various WPs (Exchanges and sharing) SG development	WP leaders UNAV UP ULB UCM3
13-16	Pre-test of scenario 1 debriefing and discovery of the structure of a session	Simlabs and UP team
16-17	Day debriefing	Simlabs Team
Day 2 (9:00-17:00)	27 June 2023	Speaker
9-11	Welcome Presentation and discussion of conceptual frameworks and observation grid (Non-technical skills) CRM (ULB)	Simlabs Team Renaud and Sandrine
11-12	PETRA	UNAV Team Virginia La Rosa Salas

	WCC (UNAV) Validation of translations	
13-16	Scenario test 2 session structure simulation and debriefing	Simlabs and UP team
16-17	Day debriefing	Simlabs team
Evening	Free time and pleasant sharing	Everybody
Day 3 (9:00-17:00)	28 June 2023	Speaker
9-10	Collaborative online Learning: theoretical links and evaluation support set up	Sandrine and christèle
10-13	Appropriation and testing scenario 3 simulation	Simlabs and emergency team NTS
14-15	Group work and pooling of the different WPs following steps Redactions and distribution Summer school	Poem set team
15-16	Summer camp debriefing	Simlabs and poem set team

Day 1 : Icebreaking and state of the Erasmus process

Objectives

- Allow sharing of experience around the strengths, weaknesses, solutions and threat around the project and PR
- readjustments and construction of PRs and WP>SG
- Scenario 1 pretesting and readjustment simulation on site

Timing	Title	Speakers	Steps	Materials
9h-10h	Activity 1			
8h30-9h00 9h-9h20 9h25-9h45 9h45-10h00	Welcome and visit of the simulation center	Simlabs Team Renaud Sand Sandrine Van WILDERODE	Welcome Simlabs presentation Virtual visit Personal presentation Icebreaking Turn table with a specific personal hobby	Table Chair Blackboard Projector Room 3
10h-12h	Activity 2			
10h-11h20 Working groups Room 3 and 7 11h20-12h00	State of play and progress of the various WPs (Exchanges and sharing) SG development	Poem set team	2 Workgroups SG Synthetizes Rereading	Table Chair Blackboard Projector Computers Web

Sharing time Room 3			Readaptation Student playing COIL Introducing Materials PPT Links Password and subscription	Room 3 Room7
Break				
13h-16h	Activity 3			
30 min pre brief 20 min brief 15min scenario 30min debriefing 30 debriefing de debriefing 20min SG Link 2x15min break	Pre-test of scenario Draft 1 Poem SET: Miscarriage debriefing and discovery of the structure of a session	Trainer Renaud Sandrine Learner Poem set team + student	Pre briefing Briefing Debriefing Debriefing of debriefing	Table Chair Blackboard Projector Room 3 and consultation room Canevas Draft 1 Consultation room 1 civil comedian Teacher Evaluation scale

Day 2 : Debriefing and methodological frameworks

Objectives

- Understand the importance of simulation debriefing and implication of skill transfer (NTS)

- Define the main theoretical frameworks of the project and observational grid implementation (pretest and posttest)

- Scenario 2 pretesting simulation on site

Timing	Title	Speakers	Steps	Material
	Activity 4			
8h30-9h00 9h00-10h30	Understand the importance of simulation debriefing and implication of skill transfer (NTS)	Simlabs team Renaud or other	Welcome time Ppt Presentation Pedogeological framework Debriefing interest REASON GABA PEARL RUDOLPH ADVOCACY TEAMSTIPP Decontextualized game/video Monkey Whodunit Teamstepp	Table Chair Blackboard Projector Room 3

	Activity 5			
10h30-12h00 2x40 minutes of presentation 2x10 min break	Presentation and discussion of conceptual frameworks and observation grid	(Non-technical skills) CRM (ULB) 25 min PETRA WCC (UNAV) Validation of translations	1) CRM GRID 2) PETRA WCC	Table Chair Blackboard Projector Room 3
Break				
	Activity 6			
13h-16h00 30 min pre brief 20 min brief 15min scenario 30min debriefing 30 debriefing de debriefing 20min SG Link 2x15min break	Scenario Draft 2 Poem set Smoking and pregnancy test 2 session structure simulation and debriefing	Sandrine structure simulation and debriefing	Pre briefing Briefing Debriefing Debriefing of Motivational interviewing	Table Chair Blackboard Projector Room 3 and consultation room Canevas Draft 2 Consultation room 1 civil comedian Teacher Evaluation scale
16h00-17h00	Conclusions	Day debriefing		
19h00-to the end of the night	Entertainment	Free time and pleasant sharing Visit Bruxelles		Where you want in the centrum Delirium tremens ?

Day 3 Work package transition

Objectives

- Realize the Launching of COIL's

- Pretesting scenario 3 simulation on site (Car and inappropriate birth)
Emergency Draft 3 adaptation OHIB **out hospital inappropriate birth**

- Video adaptation to SG 3

Timing	Title	Speakers	Steps	Material
9h-10h	Activity 7			
	Collaborative online Learning: theoretical links	Christele VEROT Sandrine Van WILDERODE	Subscription and user test support set up and evaluation	Table Chair Blackboard Projector Computers Room 3
10h-13h	Activity 8			
30 min pre brief 20 min brief 15min scenario 30min debriefing 30 debriefing de debriefing 20min SG Link 2x15min break	Appropriation and testing scenario 3 simulation	Marc Van Nuffelen Sandrine Van WILDERODE Renaud Sand Julien Van Parijs	Pre briefing Briefing Debriefing Debriefing of debriefing Video debriefing	Draft 3 Emergency adapted OHIB Vehicle Tent Live video Recording SG3 LINK
Break				
14-15	Activity 9			
PR reviewing Scenario SG	Group work and pooling of the	Poem Set team	2 Workgroups	Table Chair Blackboard

COIL	different WPs following steps Redactions and distribution Summer school		On meeting line Scenario reviewing SG Synthetizes Rereading Readaptation Student playing COIL Introducing Materials PPT Links Password and subscription	Projector Computers Room 3 Room 7
	Activity 10			
15h-16h	Summer camp debriefing	Simlabs Team and Poem set team	Conclusion Turn table Anticipation TRansition	Table Chair Blackboard Projector Computers Room 3
